## ATTENDANCE

At Yew Tree we are continually looking at ways of trying to improve outcomes for children.

Research shows that children who attend school regularly are more likely to be successful at school in both their learning and social relationships.

To help reward the children and families who attend full terms we already give out termly rewards but we do appreciate that this can be really difficult to achieve and then children and families don't get any recognition for their efforts.

With this in mind we are going to launch a new weekly class attendance challenge. Every week the class with the highest attendance in the infants and juniors will receive a certificate for the class and everyone with a 100% attendance that week in the winning class will receive a treat.

This will hopefully recognise children and families who make an effort all year around but through no fault of their own end up missing the occasional day.

Hopefully this new 'competition' will help inspire your child to want to come to school everyday, even when they're not feeling 100%.

As always thank you for your continued support.
