

3 Green – Mrs Gibson’s Class Celebration Assembly

Tuesday 6th May 2024

On **Tuesday 7th May**, 3 Green, would like to invite 2 family members to come and find out about some of the things that we have been getting up to in class this year.

Please come to the small junior car park doors and a member of staff will be there to direct you to the hall.

The assembly will start at **14:45**.

Once the assembly is finished, you will be able to go straight on to the junior yard ready to collect your child. If you have younger children, please tell their class teacher and they will hold on to them until you make your way round.

Thank you for your support,
Mrs Gibson and Miss Wood
